

Contribution 1-

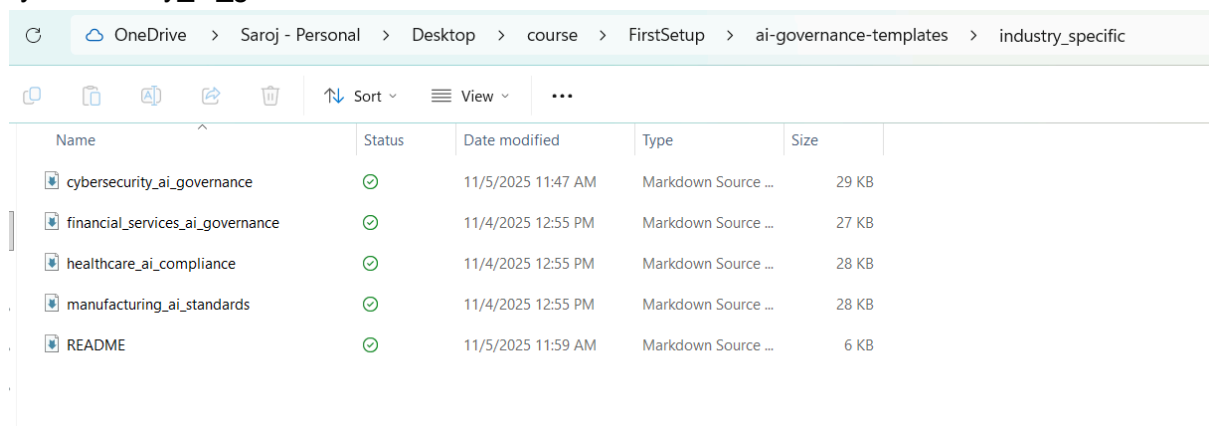

After searching an active repository, I short listed

<https://github.com/sotirisspyrou-uk/ai-governance-templates> repository;

and decided to make cybersecurity_ai_governance.md file inside industry_specific folder.

Below is the screen-shot from my local machine after adding cybersecurity_ai_governance.md

And below are the screen-shots of my commits (contribution)

<https://github.com/sotirisspyrou-uk/ai-governance-templates/pull/1/commits>

The screenshot shows a GitHub pull request titled "inform repository owner about contribution #1". It is a pull request from the user "SrjKshwh" to the repository "sotirisspyrou-uk:main". The pull request has 3 commits and 8 files changed. The commits are listed as follows:

- Commit 1: "inform repository owner about contribution" (88c9751)
- Commit 2: "inform repository owner about contribution" (f9e21c8)
- Commit 3: "add industry_specific/cybersecurity_ai_governance.md and README.md to every existing folder" (6e7ec6d)

The pull request is currently open and has 1 pull request.

Contribution 2-

After searching another active repository, I short listed <https://github.com/Tristan192/AI-Governance-Risk-Compliance-Documents> repository; and decided to make [README.md](#) for all the folders present in this repository.

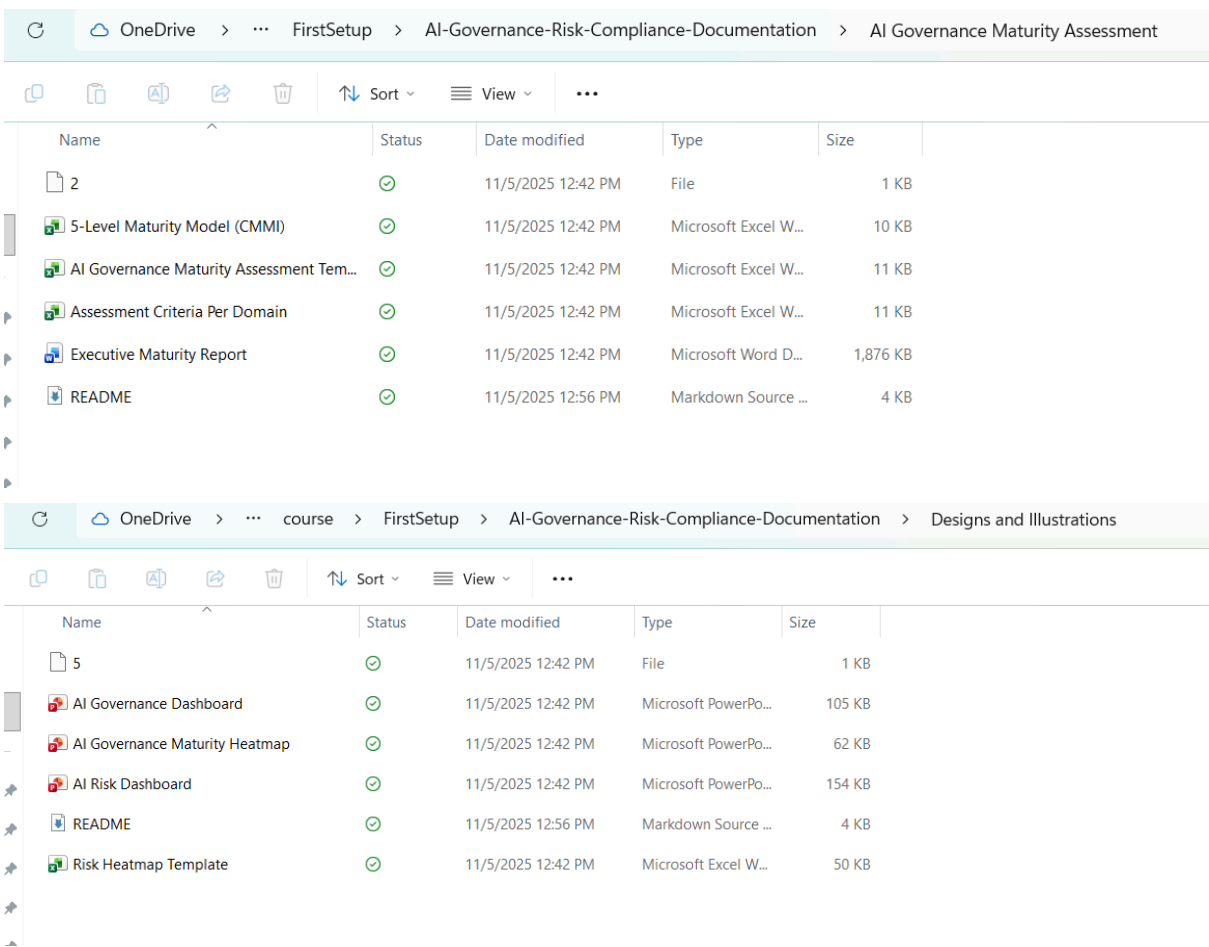

The screenshot shows the GitHub repository page for "AI-Governance-Risk-Compliance-Documents". The repository is currently 1 commit ahead of and 1 commit behind the "Tristan192/AI-Governance-Risk-Compliance-Documents:main" branch. The repository contains several files and folders, including:

- AI Governance Maturity Assessment...
- 2
- 5-Level Maturity Model (CMMI)...
- AI Governance Maturity Assess...
- Assessment Criteria Per Domain...
- Executive Maturity Report.docx
- Designs and Illustrations
- 5
- AI Governance Dashboard.pptx
- AI Governance Maturity Heatma...
- AI Risk Dashboard.pptx
- Risk Heatmap Template.xlsx
- Executive Oversight
- Extra Helpful Documents
- Prompt Injections and LLM Abuse

The repository also contains a table of files and their last commit messages:

Name	Last commit message
6	Create 6
Audit Interview Questionnaire.docx	Add files via upload
Gap Summary.docx	Add files via upload
Model Inventory Sheet.xlsx	Add files via upload
Unified Compliance Requirement Summary.xlsx	Add files via upload

Below are the screen-shot from my local machine after adding [README.md](#) files to multiple folders

And below are the screen-shots of my commits (contribution)

<https://github.com/Tristan192/AI-Governance-Risk-Compliance-Documentation/pull/1>

add README.md file for all existing 7 folders #1

Hi Tristan,

Hope you are doing good.
I am doing a cybersecurity course, in which we have to contribute in some existing GitHub repository. Please accept my contribution.

Below I am sharing the idea about my contribution.
I am adding README.md files as guide for all the following folders-
AI Governance Maturity Assessment/
begrown/
Designs and Illustrations/
Executive Oversight/
Extra Helpful Documents/
Prompt Injections and LLM Abuse/
Risk Management/
in AI-Governance-Risk-Compliance-Documentation folder.

- Tristan192 and others added 2 commits last week
- Update README.md

131cc2b
- add README.md file for all existing 7 folders

eaf96f3
- Tristan192 force-pushed the `main` branch 28 times, most recently from `80a59cb` to `978a476` yesterday
- Tristan192 force-pushed the `main` branch 3 times, most recently from `3109d7d` to `312ac5a` 4 hours ago
